The videos are approximately **20 minutes long** with moments to pause and discuss.

DISCUSSION

The episode guides have questions that directly relate to the content of each episode. Don't worry if you don't get through all of the questions; the aim is to facilitate good group discussion rather than covering all of the questions.

PRAYER

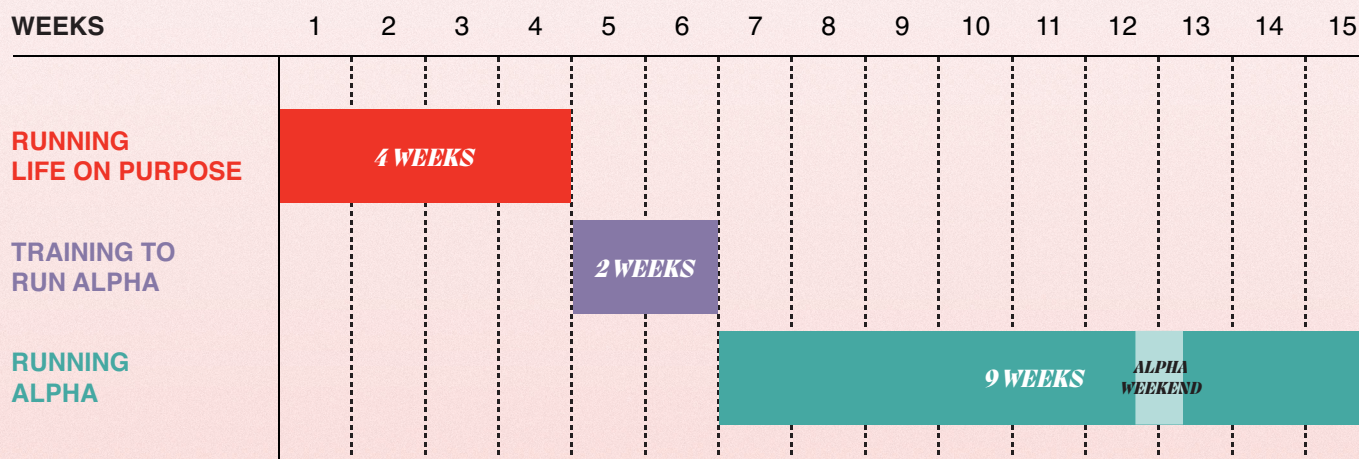

Once you have wrapped up the discussions, make sure you leave time for prayer. Each session has a specific prayer topic.

HOW TO GET THE MOST OUT OF LIFE ON PURPOSE

THIS SERIES IS DESIGNED TO ACTIVATE YOUTH IN SERVING OTHERS AND SHARING THEIR FAITH IN JESUS.

A great next step would be some sort of missional or evangelistic initiative (like running Alpha, hosting an event for friends outside the church, or serving people in the community). So consider running Life on Purpose as a lead up to one of these initiatives.

A MESSAGE FROM ALPHA

THE AIM OF THIS SERIES is to help you equip your youth to change the world! We want to provoke creative ideas around sharing faith and serving others. Our dream is that youth will feel challenged and invited to partner with God in their day-to-day lives.

You'll notice that we haven't been too prescriptive about how to do so. That was intentional. There is not a one-size-fits-all approach to evangelism and as soon as you offer one, people tend to immediately count themselves out.

We believe that God invites all of us to participate in his work of redeeming and healing the world. No one is disqualified. Everyone is invited.

Rather than giving a formula for sharing faith, we hope to spark imagination and invite each person to take a step in the direction of reaching out to others. Whether the step feels big or small, it is exciting to join together with what God is already doing all around us.

And we were never meant to do this alone! Who knows how God will use your group's small steps of obedience to draw people to himself.

In Christ,

The Alpha Team
